

## ***DECEMBER 2022 UPDATE***

Dear FCC Family,

Can you believe it has been a full year since we first started giving to our BOLD Initiative? And what a year it has been! God is working in the lives of so many people who are taking BOLD steps of faith.

Our primary goal has always been 100% engagement. We want to see everyone who calls FCC their church family, take an active step in becoming more like Jesus and attempt great things with God, all for his glory. Upon the completion of our recent *Pursuing the BOLD Life* series, we now have 216 adults, students, and children engaged in taking their next step and are boldly trusting God. Personally, I think that's supercool.

Many of these individuals are initiating spiritual conversations and sharing their faith with family and friends. People are responding to the Gospel and being baptized into Jesus. More people are discovering the joy of serving others in the name of Jesus and there is a growing number of people who are sacrificially giving to the Lord's work. And we still have another year to go!

As we begin year two of this **BOLD** season, join me in boldly praying for God to give us a heart for the 260,000 people within our reach who do not know Jesus as their Lord and Savior. Ask God to provide the property for FCC's relocation as we seek to transform even more lives through the power of Jesus Christ.  
Praising God,

*Rob*

## ***BOLD For OUR NEIGHBOR***

Over 60 ladies from both the church and the community participated in our women's event on Saturday Nov 19. This free event created a great space for women to connect and experience community.

During our midpoint series, *Pursuing the **BOLD** Life*, we recieved 8 new Commitments and \$80,000 in expanded gensosity toward the ***BOLD*** initiative.

This Christmas, the generosity of our FCC Church family has produced over 40 gifts for 8 local families through the Giving Tree in addition to 215 shoeboxes through operation Christmas Child

### JENN & JASON COOK

*"We would encourage our church family to continue to be BOLD in every aspect of your faith: your giving, your community, your outreach, and your witness."*

We are Boldly Praying for God to provide a site for FCC's campus relocation. Although God has not yet identified where, we are trusting in His perfect wisdom and timing and want to be ready when God reveals His plan.

We continue to stay abreast of the current market availability. When a potential relocation site has become available, we will notify the church family.

When they saw the **BOLDNESS** of Peter and John, and discovered that they were uneducated and ordinary men, they were amazed and recognized these men had been with Jesus.
