

NOVEMBER 2023 UPDATE

FCC Family,

When I look back at where we started when we took this BOLD step of faith, to where we are today, I am both humbled – and amazed.

Humbled – because of what God is doing in every one of us! Through this BOLD journey, we are much more concerned about the eternity of our friends and neighbors. We are inviting more people to hear about the love of Jesus & experience firsthand the community that exists in our church family. And we have become more generous in our giving. I am truly humbled by all that God is doing in us.

I am Amazed by what God is doing through FCC! With every new decision to choose Jesus, entire families are being transformed. Marriages are being strengthened, relationships are being healed, and many of you are serving others in ways you never have before. God is using FCC to be a light that shines in the darkness and people are taking notice.

As our 2-year BOLD Initiative concludes at the end of this year, I am confident we are different today than when we began. Thank you for your partnership in this BOLD journey. Thank you for staying faithful and finishing strong. Thank you for taking BOLD steps of faith and trusting God like never before. Thank you for Boldly living out your faith so that more people will come to know Jesus Christ as their personal Lord and Savior.

Together, we have learned so much about God's faithfulness. It is with assurance, FCC moves forward knowing we will always be a BOLD people. All for His glory!
