

MARCH 2022 UPDATE

Dear FCC Family,

In December of 2021 we launched the 2-year BOLD initiative with the goal of raising \$2.75 million. This Bold step of faith will allow us to expand our ministry and see many more lives transformed by the power of Jesus Christ.

We know we can expect great things from God. Now we are attempting great things with God. All for His glory. We believe God is calling us to relocate our campus and increase the ministry impact for our neighbors. This BOLD initiative will ensure we are ready when God says, "Go!"

It's one thing to say we trust in God. It is another thing to actually live like we are trusting in God. When God asked us to increase our generosity, He was giving us an invitation to let Him work in us before He ever works through us. This update includes a few examples of how your generosity is making a difference as FCC is Bold for Christ and Bold for our Neighbor. Thank you for your part in our story and let me encourage you to take your next step of faith and trust God with your commitment of generosity.

Boldly Praying!

TYLER & PAIGE ROSE

"We wanted to make this commitment together as a way to help us take our next step. It's a commitment to yourself, each other, and our church family."

We are Boldly Praying for God to provide a site for FCC's campus relocation. Although God has not yet identified where, we are trusting in His perfect wisdom and timing and want to be ready when God reveals His plan.

We continue to stay abreast of the current market availability. When a potential relocation site has become available, we will notify the church family.

When they saw the **BOLDNESS** of Peter and John, and discovered that they were uneducated and ordinary men, they were amazed and recognized these men had been with Jesus.
