

REVIEW - ROMANS chapters 4-7

We are one chapter away from the midpoint of Romans. Since chapter 8 is such an important chapter, it is good for us to review what we have discussed leading up to this point. To help us with that, we will play a round of the famous game show, Jeopardy.

Use this [link](#) to access the game board and the answers.

Since we have already reviewed chapters 1-3, the bulk of the material covered in this round of Jeopardy focus on chapters 4 - 7. There are some verses from chapters 1-3, however, with which we should be familiar.

The answers are provided for you, but do your best to answer the questions without first looking at the answer.

Study well!
