

# **For All That You Have Done**

By Damon Stuart

## **Verse 1:**

**F**                      **Gm Gm/C**                      **F**                      **Bbmaj7**  
Lord I come to You,                      You're my strength, my song  
                                 **Gm Bb/C**                                      **F**  
I will worship You,                      for all that You have done

## **Verse 2:**

**F**                      **Gm Gm/C**                                      **F**                      **Bbmaj7**  
I rejoice in You,                      for unfailing love  
                                         **Gm Bb/C**                                      **F**                      **Bb/C**                      **C**  
I bring this praise to You,                      for all that You have done

## **Chorus:**

**F**                                      **Dm**  
I will give You thanks  
                                                 **Gm**  
My heart sings with joy  
                                         **C**                      **Gm/C**  
As I lift Your holy name  
**F**                                      **Bbmaj7**  
Forever, I will trust  
                                                 **Gm**  
The goodness of Your love  
                                         **Csus**                      **C**  
I will praise Your holy name                                      (repeat chorus)

## **Instrumental:**
