Scripture References

Luke 18:9-14 • Matthew 23:23 • 1 Timothy 2:12  
Galatians 1:1-7 • 1 Corinthians 8:4-13 • Romans 14:23  
1 Corinthians 6:12 • Colossians 3:8 • Ephesians 5:1-10

- 1) Legalism: thinking we're accepted by God by keeping rules, and expecting others to keep the same rules.
- 2) God doesn't compare us with other people – he compares us with Jesus.
- 3) Obeying commands doesn't create Christ-followers. It creates self-righteousness.

- 4) We invite sin into the church because that is the only place it can be cured – in the presence, and through the power, of Jesus.
- 5) Legalism is dangerous because it builds self-righteousness in some and steals joy from others.
- 6) Our salvation is safe in God's hands, not in ours.
- 7) Causing someone to stumble is not about offending the self-righteous, it's about leading someone to do something against his or her conscience.
- 8) Legalism adds rules, regulations, and restrictions to the word of God.
- 9) Legalism always results in condemning someone else for not doing things your way.
- 10) If you believe something is sinful, then for you, it is.
- 11) Our goal is to live as people of light, allowing God to overcome the darkness within us.
