- 4) Sin is never satisfied, it always wants more. The more we feed it, the stronger it grows.
- 5) People who habitually give in to sin can lose the ability to resist at all, even in public situations.
- 6) When people do things that damage them internally, that damage will eventually affect the external world.
- 7) Homosexuality was removed from the category of mental disorders in 1974, not on the basis of new facts or new scientific discovery, but by a vote.
- 8) Four Greek words for love:
Agape: to care deeply about someone, warm affection, esteem
Phileo: brotherly love, camaraderie, friendship
Storge: love within a family; parents, children, siblings
Eros: romantic love, includes a sexual element
- 9) The life expectancy for gay men, on average, is 10 years less than that of heterosexual men.
