

WOW GOD!

Exciting Times!

Wow God... He's Expanding Our Borders Again!

“Two new stations. One incredible opportunity to reach more lives for Christ.”

Dear Friend,

Whoo hoo! We're thrilled to share some exciting news: God is once again expanding our territory! We're finalizing plans to bring not one, but two additional radio stations into Great News Media and the WLJ Family of Stations—stations dedicated to lifting high the name of Jesus and broadcasting His truth to thousands more each day.

As always, our mission remains clear: to educate, edify, and evangelize through every frequency we operate, every event we host, and every opportunity we're given. But with greater reach comes greater responsibility—and greater opportunity for friends like you to be part of the journey.

Now is when we need you most.

A Signal of Hope Expands Again

As you may know, months ago God opened the door for us to acquire **WDKR 107.3 FM**—a station once airing classic oldies, now being transformed into a beacon of hope filled with Christ-centered music and messages. But God wasn't finished!

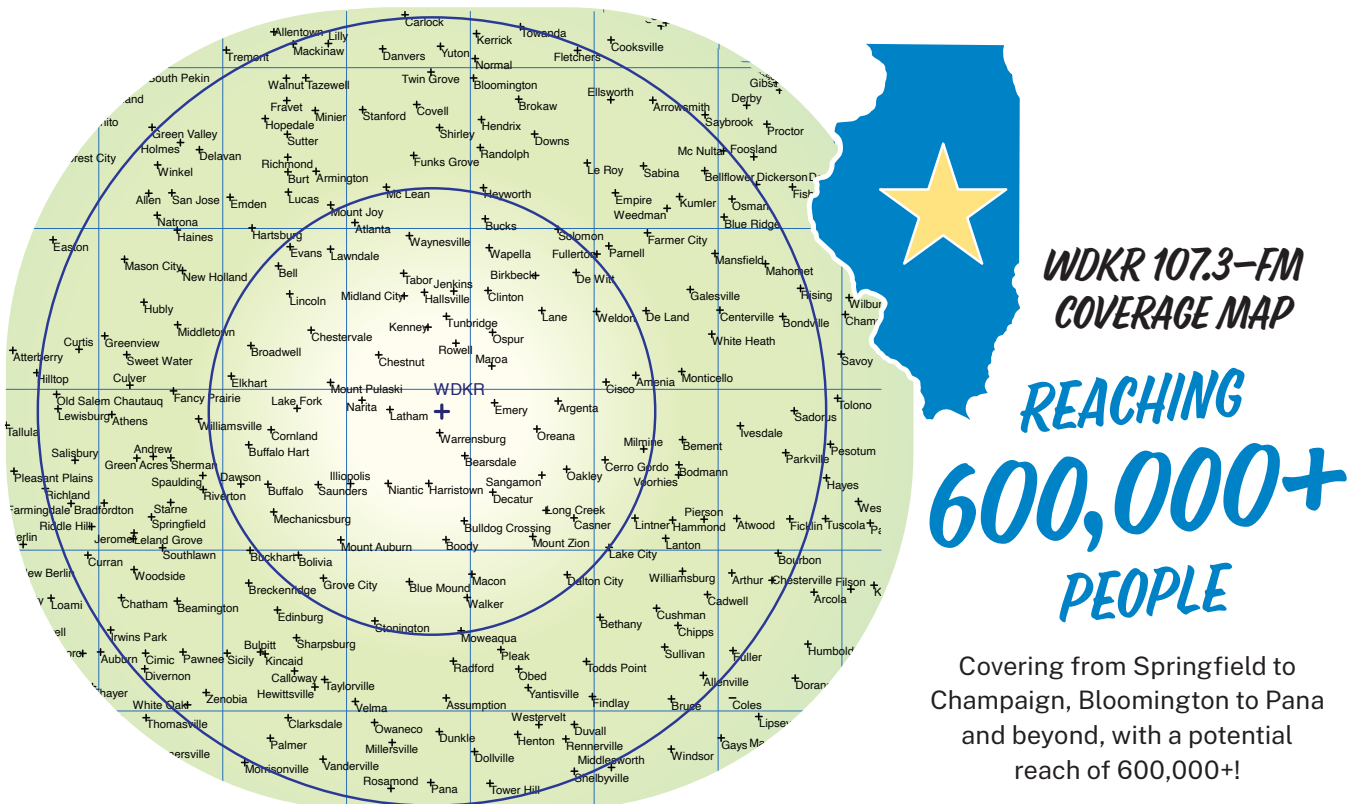

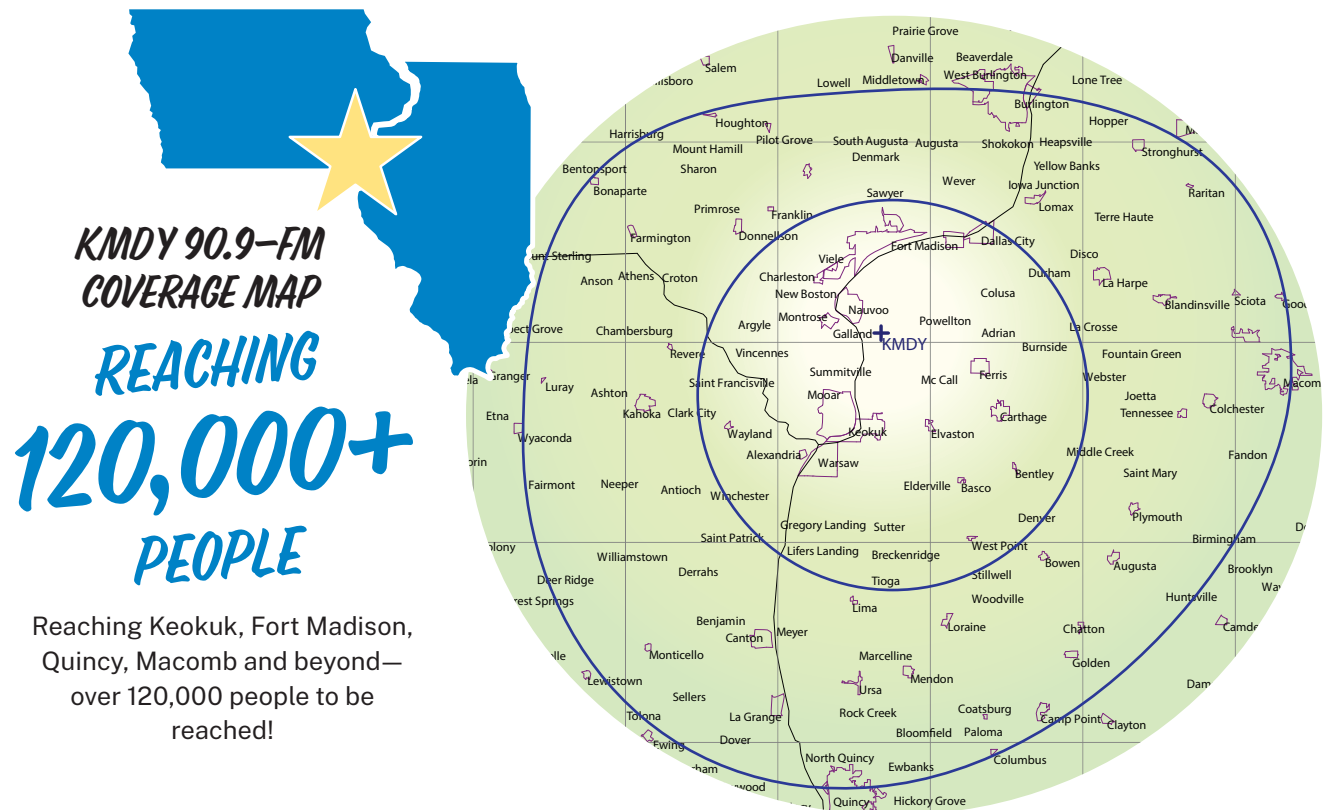

We're also finalizing the return of **KMDY 90.9 FM** to the WLJ Family of Stations. Years ago, KMDY aired Moody programming and worshipful music—and soon, that

legacy will be reborn, reaching thousands across west-central Illinois and southeastern Iowa.

“Oh, that You would bless me indeed and expand my territory!” —1 Chronicles 4:10

Together, these two stations represent a powerful spiritual footprint—reaching over **750,000 souls** with programming that speaks life, truth, and the hope of Jesus.

Two Coverage Maps = Twice the Impact

Here's How You Can Help

Capital Campaign Needs

One-time gifts to help acquire and equip both stations.

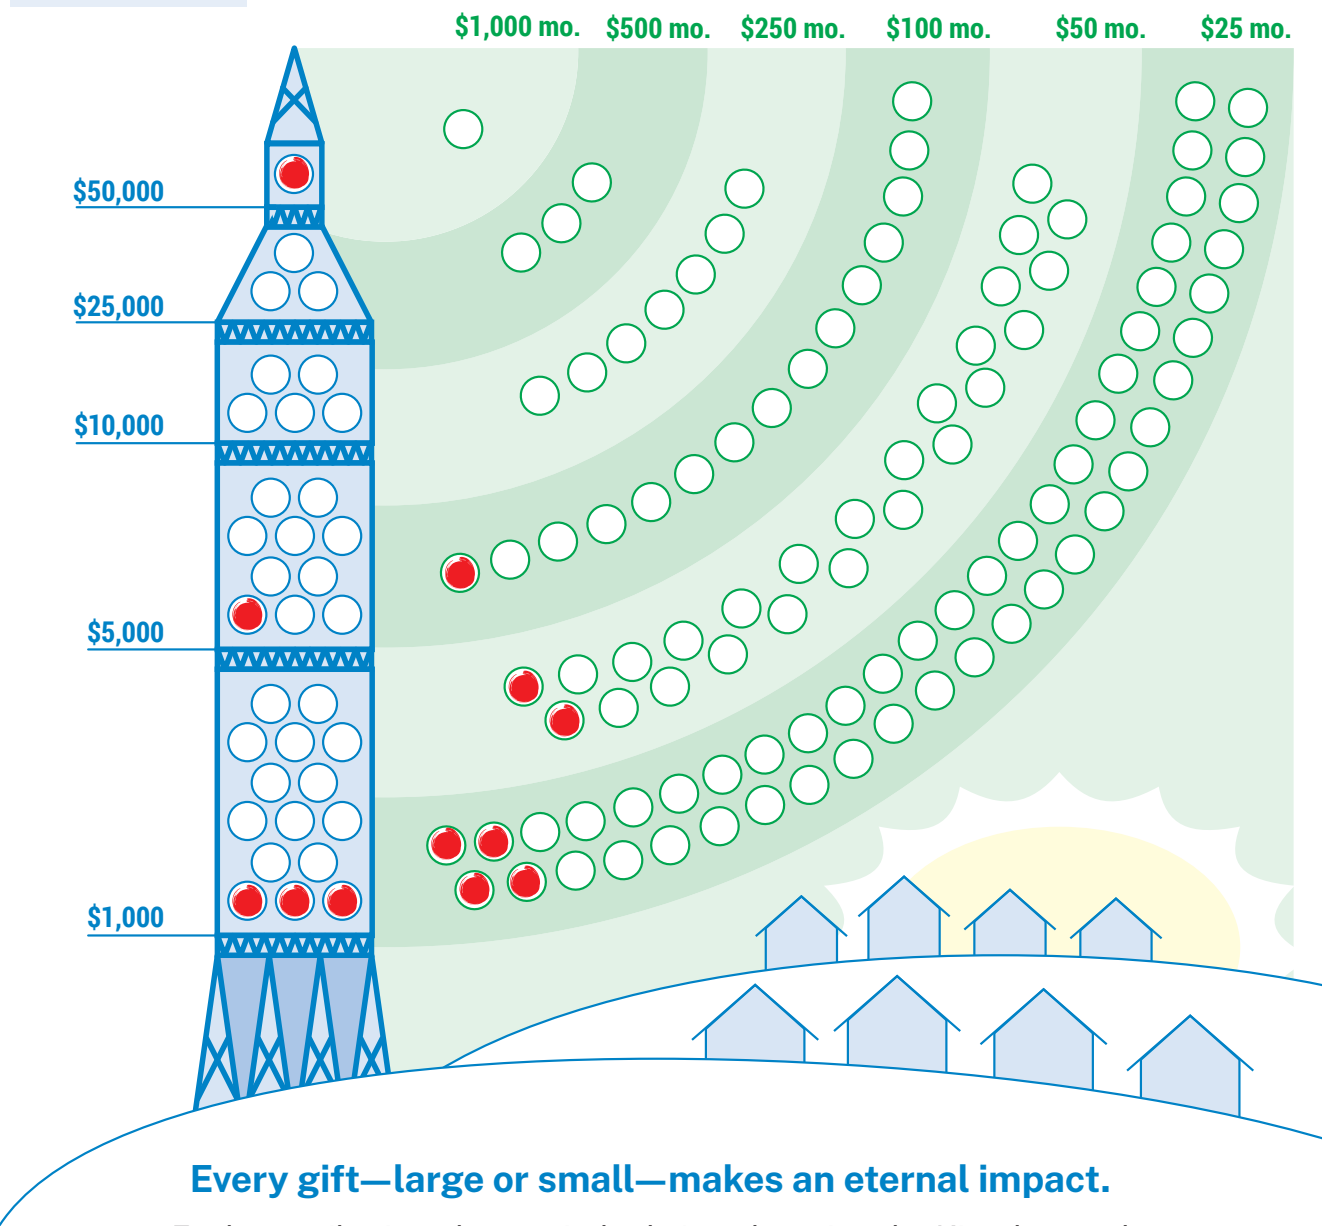

= \$225,000 total

Ongoing Monthly Support

Helping sustain operations for the glory of God.

= \$10,500 monthly support

People have already contributed, join them!

Every gift—large or small—makes an eternal impact.

Each contribution plays a vital role in advancing the Kingdom and helping us share the Good News across the heartland.

Bold Vision, Greater Impact

If you have the capacity to give significantly, now is the time to help fuel this expansion. With stations becoming available and opportunities emerging, your gift could open the door to entire new regions hearing the Gospel daily. Last year, a strategic station on the Illinois/Missouri border was within reach—but without the funds, we had to pass. This year, God has already opened more doors. Will you catch the vision with us and help ensure we never have to say no again due to finances? When God leads, we want to take action! :-)

Expanding the Reach, Sharing the Hope

“What greater investment can you make than in the souls of men and women who will hear the truth because of your generosity? If you are able to give a larger gift—\$10,000, \$25,000, even \$50,000—it will directly impact eternity.”

Will You Join Us in This Move of God?

Now is when we need you most.

We invite you to prayerfully consider partnering with us—whether through a generous one-time gift, a new monthly commitment, or by increasing your current support. Every act of generosity helps us reach countless hearts with the life-changing message of Christ! Thank you for standing with us, side by side, as we seek to be His hands and feet—sharing His love and making His name known in a world that desperately needs Him.
