Host a Bible Study Track taught by Deborah Ross at your Church!

- **Woman to Woman / The Naomi & Ruth Experience**

This Bible Study uses the Naomi and Ruth relationship model to encourage one-to-one mentoring between participants. It is aimed at transforming the hearts and lives of women who desire to study a wide range of topics including (not limited to): God's Love; Forgiveness; The Fruit of the Spirit; Spiritual Warfare; Marriage Defined; Financial Peace / Tithing; The Father's Love; Defining Faith; Hearing from God; and much more. In addition, this in-depth study will minister to all of those who are seeking help and healing from: a broken heart; shattered relationships; addictions; a life of dysfunction; abandonment; mental, physical or sexual abuse; prison/jail time; and beyond. This material is also created for ministering to the female family members of those suffering. Deborah will lead the first 4-10 lessons of this study and then your church/group can continue on with one-to-one mentoring lessons that cover up to 30 lessons, if desired.
