

# Marriage Prayer For Women

by: Deborah Ross

Dear God:

Help me to understand that I cannot change my husband. I can only change me!

Help me to have faith knowing that **YOU CAN CHANGE MY HUSBAND.**

Lord, help me to be more like you toward my husband, so that your love will convince him of your presence, your power, your kingdom principles, and your authority in our marriage. Help me to do him good and not evil all the days of my life. I pray his heart will trust in me. (Proverbs 31:11 & 12)

May he be won unto salvation by my meekness in Christ Jesus. May he grow in Christ to become "ALL" that you have called him to become.

Lord, you ordained families and set them in order according to your wisdom. Empower me to be a "help meet" (Genesis 2:18). Teach me to compliment my husband and offer daily assistance toward my husband's dreams, goals, desires, and plans. Help me to be at peace under my husband's rightful place as head of our household. I know that **YOU** will take care of me, as I "do my part" by giving honor to my husband (even while he is a sinner or I disagree with his choices).

I will not forsake the truth, but I will always apply the truth in a loving way so that your glory shines through my convictions.

Help me to love my husband at all times, even when I feel that he doesn't deserve my love. Help me to be intimate with my husband.

I pray that the blood of Jesus will cover my marriage and cause our family to flourish as an example to the world.

In Jesus Name,  
AMEN
