**WE'VE BEEN LOOKING FOR YOU.**

The purpose of the Media Team here at Deliverance Outreach Temple Church is to carry the Gospel of Jesus Christ to a technology driven world through the use of media as a worship tool to reach the lost.

The Media Team provides technical support for our worship services, records various events, teachings and sermons, which we stream live on Ustream. Sermons are also available on DVD and for viewing on our website.

Do you have a gift for electronics, sound or video equipment? Or maybe you just have a desire to learn, along with a passion to serve the body of Christ? If you answered yes to any of these questions, then you are invited to join our team.
