

We will strive together to remain committed to fully surrendered, self-denying lives with God as our greatest love as disciples of Christ are called to do.

We will devote ourselves to making the gathering of believers to study His Word and regularly walking together central and 1st in our lives.

We will not forsake assembling together, knowing our need for the encouragement and conviction of reaffirming God's place as 1st in our lives each week

We will strive to hold one another and our community up in prayer on a constant basis

We will encourage one another to peaceful living, rejoicing attitudes and courageous living before each other and the world around us

We will exercise hospitality towards one another and bear one another's physical, emotional and spiritual needs as the family of God.

We will strive to maintain unity with each other through patient, selfless love until Christ returns

We will humbly challenge one another as needed to maintain a healthy, developing faith both individually and as a family of believers

We will devote ourselves to teaching the Word faithfully to one another and future generations so they and us will be grounded in the Faith of Jesus Christ

We will encourage one another to make the Word our guide on a daily basis and in every church practice

We will strive to be holy as He is holy

We will strive to courageously share the truth of the gospel in love and enduring faithfulness in our community, families, workplaces and friendships

We will strive to use our individual gifts/talents and ministries/programs of the church family together for the purpose of winning the lost and making sincere, passionate and growing disciples of Christ.

We will strive to be present at the ordinances of the Church (baptism and communion) constantly reminding ourselves of the work of the Gospel and our need for it.
