HARD RESET: Do Whatever HE Tells You!

John 2:1-11 (NRSV)

Class text: John 2:7-8

Class topic:

“HOW TO DEAL WITH LEADERS WHO REFUSE TO CARRY POTS”

The Course Description:

Leaders who refuse to carry pots aid in the lack of growth for the church. Leaders who refuse to carry pots are sidetracked by being too close to the pastor. Some leaders are so close to the man or woman of God that they have forgotten how to serve the ministry. In order for the church to grow, the pastors have to do less and the leaders have to carry more pots. If you have a leader who refuses to carry pots, they are setting you up for a loss. It's time to deal with leaders who do not carry pots.

Being the leader of a ministry is a huge responsibility, regardless of whether you're the Apostle, the Prophet, Evangelist, Pastor, Teacher Presiding Bishop, Auxiliary Bishop, Overseer.

As a leader, it's your job to inspire and motivate the others on your team or in the same ministry, to work to the very best of their abilities. Being an effective leader demands a number of qualities and characteristics that encourage those around them to succeed. This article will examine eight leadership qualities that can help to inspire and motivate your team.
