If you would like a meal of any kind, you must hire a caterer to serve entire meal, including desserts. Office has recommendations for caterers if needed. All food must be prepared before bringing to kitchen. Coffee and lemonade will be provided. We will also provide coffee and lemonade and will oversee the kitchen. No colored drinks will be allowed as they stain carpet when spilled. There will be a time limit of 90 minutes for luncheon. Family will provide items for display, which could include easels, flower stands, etc.
