ABOUT OUR SAVIOR'S

We are a community embraced by the mystery of God's love for all creation.

We look for the Christ shining in every race, every child and family shape, every sexual orientation and gender identity, every physical and mental ability, every economic status, and every faith perspective.

Within this dynamic community, we foster meaningful connections and experiences as we live into faith and face the issues of our time.

Together, we strive to live with loving hearts, open minds, and hands extended to all.
