

Hi!

You don't know me, but I just paid for your order.
There's no catch - It's just something I felt like doing.

I got this idea from the radio station, Spirit FM 90.5.
They call it the "Drive Thru Difference."

Maybe you'll feel like doing it for someone too! Get all
the details at MySpiritFM.com (or just reuse this letter!).

I know they love to hear "Drive Thru Difference"
stories, so call them up at 800-223-9286 or leave a
message on their comment line at 813-282-1234.

Sincerely,
Your new friend in the car ahead of you :)

P.S. I hope this blesses your day!
