Once registered, you will receive an email with your student ID number. Each student must come in to the dining hall to get their picture taken to obtain a meal card. If a student loses his/her card, a replacement card can be purchased for \$10.00

WCIU strongly suggests that parents also register at www.myschoolaccount.com and enable the low balance notifications to receive an email when your child's account balance reach \$10 or less.

If your child meal card account balance goes negative, WCIU Food Services will bill your credit card \$20 and fund your child meal card account. All credit card fund transfers carry an additional \$2.00 transfer fee.

All students must have their meal card to access the dining hall. Meals can only be purchased via their meal card. Single meal purchases cannot be paid for in cash or by credit card. Cash and credit card are accepted to fund the meal card account with a \$20 minimum deposit. Cash currency of \$10.00 or larger will be credited entirely to the students' account unless accompanied by a note from the parent requesting that change be given to child.

For students grade 4 or below, you may order meals weekly; delivered directly to the Judson School. Please email foodservice@wciu.edu if you have any questions or need more information.
