Battle Scars

By Zachary Christensen

With nothing but hate in his heart, Razor traveled straight to the castle of Thanatos. When Razor and Roxas arrived at the castle, Roxas asked, "What do you plan to do once you find Thanatos?" "I'm gonna show him what i've learned over the past years," Razor replied "What, do you have something new up your sleeve?" Roxas asked "Yes, I do," Razor answered He crossed his arms over his chest and then swiftly moved them apart; when he did, armor covered his body completely.

Six Kilometer Run

By:Kham Potts and George Aziz

On Friday May 18, Judson International School had an event where the elementary kids would walk for a fundraiser. It was a 6K walk for the company World Vision. This company helps people be able to get water without problems. World Vision also helps people who need education, housing, and more.

Here are the thoughts of people involved with this movement:

"This armor makes me impenetrable to projectile attacks," Razor stated. "It also increases my agility, and all my senses are tuned up to 11."

"That's good, but a few modifications won't help you defeat Thanatos. He is literally pure darkness," Roxas warned.

"I have also mastered the some of the elements that I was once a novice with: I have mastered the elements of water, shadow, and lightning, and I have control over my dragon form with the dragon stone," Razor explained

"Ok, then, let's give this a shot," Roxas said.

Roxas summoned his keyblades, and Razor drew his sword. The two stealthily broke into the castle, assassinating any guards they came across so their presence would not be discovered. Eventually they were able to make their way to the throne room where Thanatos was waiting, sitting on his throne. He stood up tall once he saw them.

"I've been expecting you," said Thanatos.

6K Walk cont.

Avery said, "We are walking six kilometers because a lot of people don't have clean water and they have to walk six kilometers a day to get fresh water."

Coach Clark said, "It was very good; it was really nice to see the kids interact with each other in a positive way outside of the classroom. It was also very humbling to imagine many other people have to walk 6Ks to get some water."

We also interviewed two A.S.B members who are both our President and Vice President Ken (Our Vice President) said, "The experience was enlightening."

Kevin (Our President) said, "Everybody was tired and everyone was dehydrated so we provided water." The kids walked for 6 kilometers in total while being cheered on by other students and teachers.

Summer flowers

By Amanda Cherman

Phlox

The greek name "Phlox" means flame because of its vibrant colors.

Peonies

They look like roses. They are the most planted in people's gardens in temperate areas.

"How did you know we were coming?" Roxas asked. "I was able to sense your presence," Thanatos replied. "Now then shall we end this? I would like to be finished before dinner," stated the demon

Razor activated his hammer of Sol, and with his sword in hand, he lunged toward Thanatos. Thanatos then summoned a blade of pure darkness to counter Razor. He then shot a sound blast at Razor taking off the armor on his arm. The armor then regenerating itself, Roxas then appeared behind Thanatos and started to slice his back with his two keyblades, racking up a combination of 99 cuts in 30 seconds. When Thanatos reacted, he swiped away Roxas and the shot a huge blast of sound from his hand and knocked Roxas unconscious. Razor then threw his hammer at Thanatos, hitting him in the face then slicing him at the throat with his sword. As Thanatos fell to one knee with blood running from his neck, he started to cover himself in darkness, and a huge explosion of black smoke filled the room. When the smoke cleared, Razor could finally see Thanatos,

Summer Activities

By: Yoab Yosef

Summer is right around the corner. And before you know it the summer will be over. So it would be a good idea to start making plans before it's too late. Here are a few ideas of how to spend your summer doing something fun.

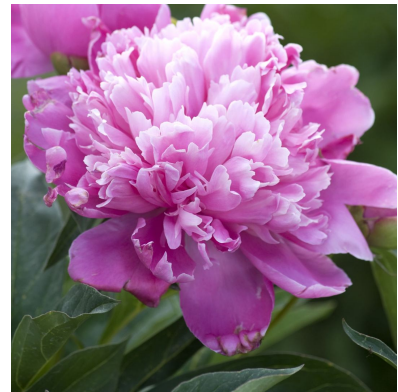

Go to the beach

One of the benefits of living in California is that you are always close to the ocean. Set up your car with towels and swimsuits and head off to any beach and have some fun in the sun! Santa Monica, Venice, and Huntington beach are all ideal locations.

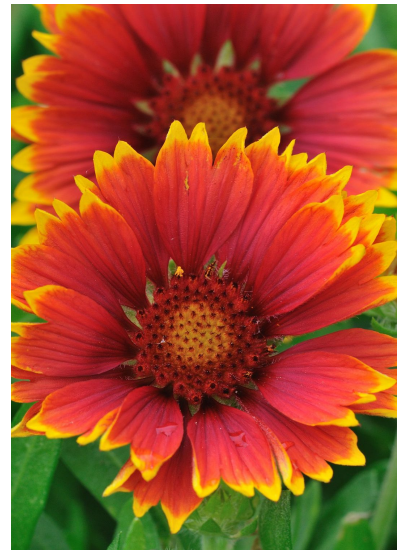

Stay home

If you're in the mood to kick back and relax, then staying home might be for you. Lie down, get some snacks, and binge watch your favorite shows! Fuller House & Stranger Things are great shows to watch.

Gaillardias

Also known as "Blanket Flowers", these flowers will light up your garden and give a pop of color.

Asters

This is September's birth flower. These flowers are a nice shade of periwinkle.

but he wasn't in his normal form anymore. He was in the form of a giant black griffon. Razor then used his beast stone to turn himself into his dragon form. The two beasts grappled with each other, but Thanatos was in the end the stronger monster. Thanatos was able to pin Razor to the ground, but just before he could deliver the final blow, Roxas came to and started to slash at Thanatos's hind leg, damaging it badly. Thanatos returned with a slash across Roxas's torso, mortally wounding him. Razor used this as an opportunity to get the upper hand against Thanatos, and he stood up on his hind legs and barreled down on Thanatos, prying open his mouth and breathing lightning into him. Thanatos became paralyzed and returned to his original form.

Razor also returned to his original form and walked up to Thanatos, drawing his sword.

"This is for my friends," Razor said. He then drove his sword through Thanatos, but at the same time, Thanatos summoned a spear of darkness and stabbed Razor through the chest, killing him.

Hang out with family or friends

You could even hang out with loved ones and have a blast with them as well. You could go wherever you'd like, just as long as everyone else is okay with it too.

Go camping

Camping is a great way to be around people in a new environment outside of your home. Camping gives you a way to unplug from wifi and your devices, perfect for people who like the outdoors. Joshua Tree is a great place to camp in the Southern California.

Go to an amusement park

If camping isn't really your style, maybe you would like to go to an Amusement Park. They might be pricey but are barrels of fun! Six Flags or Knotts Berry Farm are great amusement parks to spend your summer.

Hopefully I gave you a fairly good sample of things to do over your summer break!

Astilbe

Astilbes look like sweet cotton candy. If you like eye candy, try planting this!

Catmint

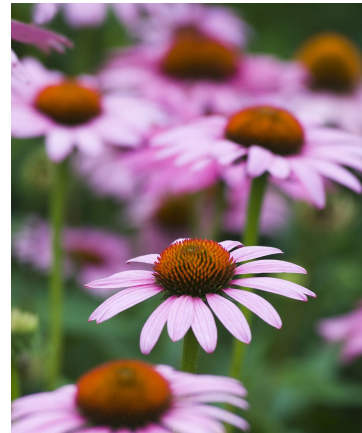

Catmint is the cousin of catnip. It is a subtle shade of purple.

This was then end for our heroes. This adventure may have been a sad one but, always remember light will always prevail over darkness.
