Practices: Every Monday, Tuesday, Thursday from 3:15-4:45 (Exceptions may occur)
Please pick your daughter up promptly at 4:45, as I have other commitments shortly after. Thank you.

Proper attire must be worn to every practice and game. This includes athletic shorts or leggings, t-shirts (not too baggy), and cleats.

Water will be provided but it is strongly recommended that athletes bring their own water bottles as well.

As we head into Spring, and with practices taking place in the afternoon, sun exposure is a major factor. Please send sunscreen with your daughter and/or consider a long-sleeved shirt for extra protection.

I will do my best to let you know about any changes ahead of time, and I ask that you do the same. You can reach me at:

Please make payment for your daughter's sports fee as soon as possible. If you have any questions about payments, or about anything else regarding your daughter and the team, please do not hesitate to reach out. Practices will be open for parents to attend if they so choose, and I would love to meet you all!
