

B.E.S.T. has religious exemption status as provided within the provisions of the State of California Education Code with the Bureau for Private Postsecondary and Vocational Education.

The work of the ministry is to:

- To fulfill the Great Commission given by Jesus - Communicate God's Word through teaching and preaching, and demonstration of the love of God, reaching the lost with the gospel of the kingdom.
- Encourage fellowship and identification with other church communities.

Standard of Conduct

Recognizing BEST as a community of believers, the school expects its students, faculty, and staff to exemplify biblical standards of conduct in all areas of their lives, both on and off campus, and in interpersonal and community relationships.
