Jan. 2019

## Dear Pastors and Friends,

We want to thank each one of you for your dedicated prayers and continued support in 2018! We witnessed the Lord move in mighty ways in 2018, and that was only possible through your partnership with us in the Lord. 1Cor. 3:9 says, "For we are labourers together with God.". What a joy it is to serve our Lord and Saviour in partnership with fellow believers!

We have GREAT NEWS to report to you this month! Our little girl Avalee got born again on Jan. 13th! What an answer to prayer it is to see our little girl accept the Lord as her personal Saviour. You can see the joy and excitement it has brought to her young life. She wants to tell everyone she meets what Jesus has done for her. We were sitting in Burger King the other day and I could hear her telling one of the kids in the playground what Jesus did for her. She tells everyone, everywhere she goes and it brings joy to our hearts to already see the Lord using her life for his glory!

WE HAVE PLANE TICKETS! We fly out for Palenque, MX on Feb. 28th! We have already secured an apartment there and it will be move in ready when we land. Continue to pray for us as we prepare for this move. We still have much to accomplish here in the states before we leave. Continue to pray for us, as we strive to become fluent in Spanish. Pray that the Lord will give us the wisdom and the ability to accomplish this goal in his time. We are so excited about what the Lord has in store for us in 2019! We know there will be hard days and trials but serving him is worth every mile. Please continue to pray for us as we make this move that the Lord will give us grace and that we will see fruit for our labour. ALSO NOTICE that I have added our field mailing address and our field phone number to our information on the side of this update letter. Feel free to call that number any-time, as it is an Alabama number and will not cost you long distance nor will it charge me.

\*It would be a big HELP to us if you are currently receiving a hardcopy of our prayer letter in the mail and could switch to letting us e-mail you our update letters. The cost of our mail out is getting high and it would be a blessing to us (if it is possible for you) to switch to an e-mail copy. We understand some of you need it to be mailed to you, and we are glad to do so, but those of you that could switch it would be a blessing. If you currently are getting our letters by mail and wish to switch to e-mail just send me an e-mail with your name and your churches name in it and let me know you would like to switch.

We would also like to ask those of you who have not partnered with us financially, to prayerfully consider labouring together with us in this area. "Not that I desire a gift: but I desire fruit that may abound to your account." Php. 4:17 We are looking for the Lord to do great things in the coming months and it would be an honour to be your mouthpiece in southern Mexico, and in the various projects and outreaches that the Lord lets us be a part of throughout Central America. May the Lord bless each of you, as you serve Him!

Your Partners In HIS Service,

*Joshua, Jessica, Avalee & Levi Flowers*
