Lesson 1. God Promises to Save Noah Genesis 6:9-7:24

The Story of Noah by Sharla Guenther

God Promises to Save Noah Genesis 6:9-7:24

The story of Noah is amazing! It includes a family, all the animals of the earth, a huge boat, a flood and why we have rainbows. It all starts with Noah. Did you know that after Noah was 500 years old he had 3 sons? I don't know about you but I've only met one or two people that were 100 years old and they were old! After Noah was 500 years old things started getting very interesting for him. One day as God was thinking about the people on earth His heart became very sad. He could see that all the people had become very bad, so bad that they stopped thinking of anything good. God was so sad and hurt that he wanted to get rid of every person and all the creatures that He had made. He wanted all the evil to stop. The thing about God is that He gets very angry at our sin and all the bad stuff in the world but we also know that God is love. God IS love, so that means that He can be disappointed when we do bad things but He still loves us, and that's why He remembered Noah. Noah was the only one that was righteous (which means that he did things right). He was a good guy and he walked with God. So God said to Noah, "I am going to put an end to all the people because the earth is full of fighting because of them. I am going to destroy them and the earth". God then gave Noah instructions on how to make the boat. He told him what kind of wood and how big to make it. He also told him to put a door in the side of the ark and to make it with three floors. The was humongous! We'll get to that more later in the story. The Bible says that next God told Noah that He would make a covenant with him. A covenant is an agreement with a promise. He would save Noah, his wife, and his three sons and their wives. They would be safe in the ark because God was going to flood the whole earth and everything else would die. I'm missing one other BIG thing that's going in the ark with Noah and his family... and that is... The animals! Two of all living creatures male and female (or the boy and girl of (each). Plus two of every kind of bird and every creature that moves along the ground. Then food for each of them for as long as they were on the boat. Yikes! That's a lot of animals and a lot of food. I think it would've been a very full, noisy, stinky place to be, but they would all be safe. It's hard to describe how big the ark actually was but if you think of some of the biggest animals you know (elephant, moose, buffalo, giraffe, rhino, gorilla) and make sure you have 2 of each of those plus all the other little animals that couldn't be stepped on...they needed a lot of room! Some people think it took over 100 years to build the ark and the Bible says that Noah was 600 years old when the flood waters came. Keep in mind that Noah was building a big ark because God told him to. I have a feeling Noah and his family were teased a lot from the other people. What if your neighbor started building a huge boat on your street? It would sound a little strange... When the ark was done God gave Noah 7 days warning before the flood to get all the animals and food on board, and told him that He would send rain for 40 days and 40 nights. When everyone was in the ark God shut the door.

Noah and the Great Flood

9 This is the family history of Noah. Noah was a good man. He was the most innocent man of his time. He walked with God. **10** Noah had three sons: Shem, Ham and Japheth. **11** People on earth did what God said was evil. Violence was everywhere. **12** And God saw this evil. All people on the earth did only evil. **13** So God said to Noah, "People have made the earth full of violence. So I will destroy all people from the earth. **14** Build a boat of cypress wood for yourself. Make rooms in it and cover it inside and outside with tar. **15** This is how big I want you to build the boat: 450 feet long, 75 feet wide and 45 feet high. **16** Make an opening around the top of the boat. Make it 18 inches high from the edge of the roof down. Put a door in the side of the boat. Make an upper, middle and lower deck in it. **17** I will bring a flood of water on the earth. I will destroy all living things that live under the sky. This includes everything that has the breath of life. Everything on the earth will die. **18** But I will make an agreement with you. You, your sons, your wife and your sons' wives will all go into the boat. **19** Also, you must bring into the boat two of every living thing, male and female. Keep them alive with you. **20** There will be two of every kind of bird, animal and crawling thing. They will come to you to be kept alive. **21** Also gather some of every kind of food. Store it on the boat as food for you and the animals." **22** Noah did everything that God commanded him.

The Flood Begins

7 Then the Lord said to Noah, "I have seen that you are the best man among the people of this time. So you and your family go into the boat. **2** Take with you seven pairs, each male with its female, of every kind of clean animal. And take one pair, each male with its female, of every kind of unclean animal. **3** Take seven pairs of all the birds of the sky, each male with its female. This will allow all these animals to continue living on the earth after the flood. **4** Seven days from now I will send rain on the earth. It will rain 40 days and 40 nights. I will destroy from the earth every living thing that I made." **5** Noah did everything that the Lord commanded him. **6** Noah was 600 years old when the flood came. **7** He and his wife and his sons and their wives went into the boat. They went in to escape the waters of the flood. **8** The clean animals, the unclean animals, the birds and everything that crawls on the ground **9** came to Noah. They went into the boat in groups of two, male and female. This was just as God had commanded Noah. **10** Seven days later the flood started.

Genesis 6:9-7:24 International Children's Bible

11 Noah was now 600 years old. The flood started on the seventeenth day of the second month of that year. That day the underground springs split open. And the clouds in the sky poured out rain. 12 The rain fell on the earth for 40 days and 40 nights. 13 On that same day Noah and his wife, his sons Shem, Ham and Japheth and their wives went into the boat. 14 They had every kind of wild animal and tame animal. There was every kind of animal that crawls on the earth. Every kind of bird was there. 15 They all came to Noah in the boat in groups of two. There was every creature that had the breath of life. 16 One male and one female of every living thing came. It was just as God had commanded Noah. Then the Lord closed the door behind them. 17 Water flooded the earth for 40 days. As the water rose, it lifted the boat off the ground. 18 The water continued to rise, and the boat floated on the water above the earth. 19 The water rose so much that even the highest mountains under the sky were covered by it. 20 The water continued to rise until it was more than 20 feet above the mountains. 21 All living things that moved on the earth died. This included all the birds, tame animals, wild animals and creatures that swarm on the earth. And all human beings died. 22 So everything on dry land died. This means everything that had the breath of life in its nose. 23 So God destroyed from the earth every living thing that was on the land. This was every man, animal, crawling thing and bird of the sky. All that was left was Noah and what was with him in the boat. 24 And the waters continued to cover the earth for 150 days.
