## PASTOR'S MESSAGE

### God's abundance...our response

Is the theme of our fall stewardship program this year. Starting October 21, on three Sundays a different member of St. Daniel's is giving a brief talk about why they give. There will be an opportunity on another Sunday to reflect on the percentage of our income that our current giving represents.

We are encouraging everyone to increase their giving by 1% of their income for 2019. Such an increase could make an enormous difference in St. Daniel's ability to minister in Jesus 'name in this community and the world! The enclosed chart will help you determine what percentage you are currently giving to St. Daniel's.

After having four weeks to reflect on our giving to God's work through St. Daniel's. on Sunday, November 18 we will be asked to estimate our giving for the coming year. May this time of reflection help us grown in our gratitude for God's grace in Christ!

### Transition thoughts...

- It might be helpful for me to recap some of what was said at the informational congregational meeting on September 30. The focus of that meeting was on St. Daniel's budget deficits that have grown over the last five years, and the reason for them. Simply put, St. Daniel's is a different type of congregation from what it was even ten years ago. With an attendance over 120 a Sunday and program staff, it was a program driven congregation. As attendance declined (it is now about 90 a Sunday), adjustments in spending on staff were avoided. In fact, those expenditures increased as income declined.

- With my arrival as a part time pastor, pastoral compensation was cut considerably to bring income and expenditures more into line. The Finance Committee and Council are working to trim expenditures where possible for the coming year. We are hopeful that giving will also increase, but more cuts in program staff compensation are likely to adjust for the size we are now.
- Another effect of our decline has been understaffed and understaffed committees, and members serving on multiple committees. These are signs of the change from a program driven to pastor driven congregation. The Transition Team is looking into streamlining our committee structure and reducing the number of committees to align with the number of people available to staff them.
- In worship, an interim is a time to try some new things while also maintaining the congregation's traditions. For Reformation and the Sundays until the beginning of Advent, the communion part of the liturgy will be conducted as in Martin Luther's German Mass. We will intone (sing) that part of the liturgy and use Luther's hymn version of Isaiah 6 as the Sanctus (Holy, holy, holy). Also for those Sundays the hymn of praise will be "All Glory be to God on High", from Luther's German Mass. Starting in Advent, The Worship, Music & Arts Committee has determined we will use Setting 5 from With One Voice.

# Guide To Proportionate Giving

*For they voluntarily gave according to their means, and even beyond their means.*  
*2 Corinthians 8:3*

**Instructions :** Find your annual or weekly income in one of the first two columns. Then look across the row to determine your giving level in percent. We encourage each household to increase giving 1 percent per year.

**Example :** For a household earning \$52,000 per year and contributing about \$30 per week, the contribution is about 3 percent of income. This is a portion of what has been given by God to be managed and then is returned to do ministry. A 1 percent increase (from 3 percent to 4 percent) would be about an additional \$10 per week.

There is a great need for blood in our community. Thank you for your support.

**CONGREGATIONAL MEETING  
SUNDAY, DECEMBER 9, 2018**

Following the 9:00am Worship Service  
We will elect church council members for the coming year and act on the budget for 2019.

Please plan to be present for this  
Important meeting

Please remember our homebound members with Christmas cards.

Please look for a list of homebound members in the narthex.

No need for stamps or addresses, just write the person's name on the envelope and place in the basket. The cards will be delivered with a visit from one of our church members in December.

**BLESSING OPPORTUNITIES!**

The **Giving Tree** is to provide new household gifts to the U-Turn young adults sponsored by Family Promise. These are folks who have aged out of foster care and are attempting to find work, go to school and, for a few, even raise a small child. They may be just moving into their first small apartment or, hopefully, will be finding housing shortly. They have very little means to set up a household and that is where we can help. The gift tags on the tree reflect basic necessities. In addition to the U-Turn tags, there are ELCA Good Gifts tags which provide donations to the poor overseas.

The tree will be put in the narthex sometime around the middle of November. If you wish to have us shop for you, envelopes for monetary donations will also be on the tree. Any checks should be made out to St. Daniel's. All gifts and donations must be received by Sunday, December 16 as that is the day we will organize all donations. We will gladly wrap for you, but we certainly appreciate when you do it yourself! Should you have any questions, see Joy.

Dear Friends,

I would like to extend my thanks to the Congregational Care Team for caring for Mark while I attended our daughter's wedding. Mark enjoyed the company and your thoughtfulness is deeply appreciated.

Thank You, Nancy Wolfskill

Thank you to St. Daniel's team of Volunteers who made and served supper at Opportunity House on Oct. 23. The meal was prepared by Gloria Dietrich, Mary Catherine Leeper, Chrissy Griesemer and active ministry helpers. Food was served to approximately 75 men and more than 20 women and children. Trudy Zerbe, Jim and Chrissy Griesemer and Linda Preston helped with serving. Six baby quilts were given to the shelter.

*With Deepest Sympathy*

Lucretia (Lu) Page died on October 13, 2018 at the age of 64. She was the widow of Jim Page and the mother of Brian Boyer and Matthew Boyer. She is also survived by her mother, Marie Heffelfinger, two brothers, Ronald and Richard Eichelberger, and two sisters, Carol Wisner and Maryann Eichelberger.

As a retired educator, Lu was involved in many community activities related to education, as well as quilting and writing groups. She was President of St. Daniel's Council, where her guidance will be sorely missed.

We extend our deepest sympathy to Lu's family and many friends.

## **UPDATE ON THE JOHNSON-AGIRI FAMILY**

The Johnson-Agiri family from Nigeria was with us at last year's Fall Assembly. They came to the U.S. in May 2017 and are seeking asylum here due to credible fear of returning to their country. Many of you, as well as other congregations in the area, have been extremely generous in providing for the needs of this family over the past 17 months. You have supported them financially, invited the children and family to events, provided furnishings and household supplies for their apartment, helped them build a support network in the community, connected them to work-place development programs and tutors to help with their language skills and provided transportation as needed. The family wishes to thank you for your gracious and generous support!

**Tola finally received his work authorization in August and was hired the next week at East Penn Manufacturing.** He will finish his 12 weeks of training soon and will then be working third shift. Their asylum hearing is scheduled for December 11<sup>th</sup>. Please continue to keep them in prayer.

## 2018 CROP Hunger Walk another great success!!!

On Sunday, October 7<sup>th</sup> about 250 people walked at Gring's Mill in the annual Church World Service CROP Hunger Walk.

This was our 37<sup>th</sup> annual Walk and we have already collected about \$25,000! 75% of money raised goes to Church World Service to help feed people around the world and 25% goes to the Greater Berks Food Bank to help feed our hungry neighbors locally.

**Special thanks to all for helping to fight hunger one step at a time! GREAT JOB!!!**

This year's awards went to:

***Funky Flip Flop Award*** for the most youth walking  
- St. Paul's UCC in Fleetwood AGAIN!

***Golden Sneakers Award*** for most walkers - West Lawn United Methodist Church AGAIN!

***Benevolent Bling Award*** for most money raised – so far it seems to be West Lawn UMC!

## Looking forward to next year!

## *Embracing Fractured Stained Glass: Death and Life in Churches*

Our third annual **TableTalk** event was held at the McGlinn Conference Center on October 15 and was attended by 27 people. We heard from Mr. G. Travis Woodfield, MDiv, about his research on the topic: *“Embracing Fractured Stained Glass: Death and Life in Churches”*.

He led some interesting conversations around the idea of finding ways to embrace the end of life for some churches, as we do through hospice care for individuals. We can engage in the end-of-life process and determine how the congregation/church will be remembered when it no longer exists in a specific building. We can be intentional about having a “good death”, going out with a bang so to speak, rather than just waiting for the inevitable to happen and dreading what that will mean for us.

This was just the beginning of the conversation and gave those present much to consider. It is a fact that all living things will die at some point and congregations can be considered “living” things. Great churches of the past no longer exist but their mission and ministry is remembered still. The fact that they are no longer in existence does not diminish in any way who they were and the important role they played as part of the Kingdom of God!
