Dear Friends,

We are extremely excited to announce our upcoming 100th Church Anniversary (1924-2024)!!! We want you to know about and attend, events and services which will be planned during 2024 to celebrate this milestone!!!

In 1924 a small group of Christians in what was then known as the New Brunswick Highlands section of Piscataway founded Zion Hill Baptist Church. Little did they realize the church would grow to become a well-respected community-based body, serving to better both its members and Central Jersey residents through numerous ministry groups, workshops, a benevolent/charity fund, and a highly recognized food distribution pantry. This is a legacy that we believe should be celebrated and which needs to continue.

We will work to let you know about events and services planned during 2024 to celebrate our milestone anniversary, using social media platforms, other mass media, or possibly by way of communications sent directly to you. The church would both welcome and appreciate your attendance at any events or services we have.
