Dear Local Business Friend,

We are extremely excited to announce our 100<sup>th</sup> Church Anniversary (1924-2024) !!! Our church is almost as old as a number of major corporations in the nation and older than many local area businesses, so this is a milestone anniversary to be celebrated !!!

We are a well respected community-based body, serving to better both its members and Central Jersey residents through numerous ministry groups, workshops, a benevolent/charity fund, and a highly recognized food distribution center which supports the needy in the area counties. We believe this is a legacy that should continue and be supported.

Many of our members have long been patrons of both large and small area businesses, and in turn we are asking that you consider being our patron by making a donation to our **100<sup>th</sup> Church Anniversary Fund**. *Your donation will support our ongoing effort and legacy of ministering to and bettering the lives of area residents; and it is important to note that your donation is to an IRS-designated 501 (c) (3) church organization.*

Any donation you choose to make can be sent via check (or money order) made payable to Zion Hill Baptist Church, at the address noted above in the letterhead; or giving can be made via Zelle, using: [zhbctrustee@optimum.net](mailto:zhbctrustee@optimum.net); or Cash App, using: \$zhb450 (all lower case). Please specify: **100<sup>th</sup> Church Anniversary Fund** on any donation made.

Zion Hill Baptist Church sincerely appreciates and welcomes any donation made by your business.

Sincerely,  
100<sup>th</sup> Church Anniversary Communications Committee
