Dear Ministry Friends:

The Powerhouse of Praise church family has had high hopes for a church building. Our previous building was destroyed during the snow storm in February 2021. We are starting a fund-raising campaign to raise \$1.5 million to purchase a church located in South Austin, Texas, which is the territory God has called us to. This may seem like a lot of money; however, in Austin this is a reasonable price in comparison to other commercial properties in this city.

As our ministry friends, we are asking you to partner with us in meeting the spiritual needs of our community. First Corinthians 3:8-9 reminds us that, *"He who plants and he who waters are one, and each will receive his wages according to his labor. For we are God's fellow workers. You are God's field, God's building."* We believe this is an opportunity to plant your seed in good ground.

We are trusting God for this particular space of worship to expand ministry to families, children, and single people. The church will provide sufficient space for outreach to marriages, inspiring the next generation for Christian leadership, prison ministry, and building meaningful relationships, with God and others. We stand as a witness to our almighty God as we shine the light of hope to those searching for something more in life.

Since we are in the process purchasing a property, we would like to request an expeditious response. Please give by making a one-time tax-deductible offering or by making a monthly partnership donation. You may submit your donation online at www.powerhouseofpraise.org or by sending your donation by mail to 9600 escarpment Blvd., Suite 745, P.O. Box 139, Austin, Texas 78749. Thank you for your gracious gift.

Love, grace, and peace,

Bishop Michael Scott, Pastor

Dr. Esther C. Scott
