# JESUS PEOPLE LIFE CHANGING MINISTRIES CHURCH DEPARTMENT HEAD'S ANNUAL LETTER OF COMMITMENT

Jesus People Life Changing Ministries Church, Inc. is a ministry dedicated to training people and building the kingdom to the glory of God. We are a ministry "filled with" and dedicated to purpose.

In order to accomplish this wonderful task, the leadership needs men and women who are dedicated to carrying out the vision, mission, and goals of this Ministry. Upon accepting the position of \_\_\_\_\_ over \_\_\_\_\_, (position title)\_\_\_\_\_ (area of ministry)\_\_\_\_\_

I acknowledge that this one-year letter of commitment to leadership is an awesome responsibility that God has equipped me for, and therefore, I agree to the following:

1. To be loyal, and committed to the Ministry and this department, by faithfully praying for and seeking God for the spirit of creativity and direction of this department that is in line with the vision given to the Pastor.
2. To be an example to those under my leadership in church attendance (every Tuesday night Bible Study, and at least one service on Sunday) also faithful in my financial support to the Ministry (consistently giving tithes & offerings).
3. I will commit to maintain a Godly lifestyle by spending time in the Word and prayer.
4. I agree to work harmoniously with the leaders, assistant pastors/ministers and peers.
5. If at any time I can no longer fulfill my obligations to this department or to the Ministry, I will notify Pastor Mingo, at least two weeks in advance in writing, prior to stepping down from this position.

We thank you for answering the call of God to head up this area of ministry and look forward to a year of growth, love, and wonderful fellowship together in the Lord!
