Every year Ruth Sisters' Fellowship International EMPTISTORY Conference hopes to educate, enlighten and empower Kingdom stewards while creating opportunity to invite and interact with fellow Ministers and sisters, reach-out to others who seek fellowship with like-minded women and have a weekend of fun, amazing worship, dynamic speakers, encouraging corporate prayer sessions.

Being called to Ministry requires significant requirement necessary for continued growth, wisdom and knowledge of the word and increase of pulpit vocabulary. In 2 Timothy 2:15, Paul admonished his son of the gospel, Timothy, to: *“study to shew thyself approved unto God, a workman that needed not to be ashamed, rightly dividing the word of truth.”*

Secondly, it is important to adopt pillars of learning in keeping with the responsibility and standard of accountability to correctly administer God's word as expected. As Ministers we must keep positive accuracy with God's word and faultless truth.

Ruth Sisters Fellowship International EMPTISTORY Conference continues to reflect on the objective resolved in building a character generation for the kingdom through continued education and training.

At the 2nd International EMPTISTORY Conference, the resolve was through the theme “Power of I AM, Women and Harbingers of Peace in a Perilous World”; with the objective to utilize education and address:

- Power of I AM in the life of Women in Ministry for a Perilous World
- Reflect on UN outcome from the CSW65 Sessions and the Generation Equality Forum as it affects the growth and development of women in Ministry
- Challenging issues and COVID19 in the life of Women in Ministry
- Advance the role and responsibilities of women in ministry as harbingers of peace
- Re-examine and Picture Women in Ministry as instruments for character generation
- Identify Roadmap for further action in addressing Power of I AM, Women and Harbinger of Peace in Perilous World

Leaning on the outcome from the 1st EMPTISTORY International Conference, the outcome from the 2nd Conference affirmed the significant need of Women in Ministry to;

- utilize the outcome from the speaker's presentations to provide empowerment initiatives that will help with equipping women in ministry to take up their mandate as servants of God in the fulfillment of Acts 9:15 and harbingers of peace in a perilous world through the Power of I AM

- made a Wake-Up call for women to re-examine their thinking about self and bring into light the true purpose of God for their role as ministers of the kingdom in developing a character generation

The 3rd EMPTISTORY International Conference on the theme “Women in Ministry and Canon of Stewardship” will build from the outcome of the 2nd conference into practical skills with divine impartation on its objectives along;

- Women Ministers and Inclusive Stewardship
- Utilizing Mathew 25:14-29 to reflect on fundamental understanding of the principle of stewardship
- Pillars of Stewardship and Women Advancement of Gospel (workshop teaching)
- Model of Stewardship -the Ruth and Naomi Approach
- Practical Skills and recognition of self-Stewardship
- Canon and Capacity of Stewardship

The Theme “Women in Ministry and Canon of Stewardship” is intended to introduce a wake-up call approach to enact action on creative thinking and innovation in moving the purpose of God for women stewards and advancement of the gospel. The 3rd EMPTISTORY International Conference will seek to walk in step with the Holy Spirit in power and practice
