

RUTH SISTERS' FELLOWSHIP INTERNATIONAL

I am a Ruth, Resolved to Educate, Empower and Support a Fellow Sister in Building a Character Generation for All

Ruth Sisters' Fellowship International

The Ruth Sisters Fellowship International (RSFI) is a rebirth on gender character for a generation with the mission to let every woman understand that her being made empty draws her back to her roots where she will be made whole in actualization of a character for generations to come.

**His Eminence The Rt. Hon. Dr. Philip Phinn
Spiritual Head**

**Her Eminence Archbishop Ambassador Dr. Mary Floyd-Palmer
Spiritual Mother/Representative of RSFI to the United Nations**

Ruth Sisters' Fellowship International is a fellowship established by God to bring women, sisters, mothers, women ministers, ministers wives and evangelists as one body, serving in the Love of God through teaching and sharing of stories leading to overcoming spiritual emptiness. We are Non-Denominational, working to overcome our spiritual emptiness through our **EMPTISTORY and become strengthened for one another. Our focus is rooted in the love and oneness of the commitment shared between Ruth and Naomi in the land of Moab and back to Bethlehem**

The Call to Overcome:

Women are made empty all through life. Many times they get into situations where their lives become a thorn in their flesh; that the only option they have is a catastrophic emotion and sadness leading to the level of an extraordinary emptiness.

The mission of Ruth Sisters' Fellowship International is rooted in the life story and spiritual journey of Ruth and Naomi in the book of Ruth. Ruth Sisters' Fellowship International spiritual self yearns for the understanding that women are empty of the purpose of God. Empty of the understanding that we were created for each other as women, empty of marital bond and blessings.

Women are being made empty today just as Ruth and Naomi after the death of their husbands respectively. Yet in the midst of their emptiness they were for each other through support, commitment, guidance, counseling, obedience and caring.

Their being made empty led them to retrace their steps back to their roots and surrendered completely to exemplify God in the midst of their turmoil. God made us to understand that we are made empty because we have not made our roots in him to uphold His covenant with us. This is the birth of Ruth Sisters' Fellowship International with the mission to let every Ruth Sister understand that their being made empty draws them back to their roots of Royalty in Jesus Christ, where they will be made whole in the actualization of a character generation.

Gender Character

The story of Ruth and Naomi is the strength of this fellowship. God has defined a purpose for women, yet the thorns of life, the recognition of our beauty as women and societal status has led us to complete emptiness leading to a total loss of life either through famine, dejection, loneliness, emotional disorder, lack of commitment to sacrifices, support, determination, self-effort, helplessness and pessimism. The Ruth Sisters' Fellowship International is a rebirth of gender character for a generation. It is hoped to bring us, Ruth Sisters into oneness with God.

Our Mission and Vision:

The Mission of Ruth Sisters' Fellowship International is a holistic development and spiritual growth of members with Godly values and skills rooted in the Great Commission and Ordinances of God Almighty.

The Vision of Ruth Sisters' Fellowship International is to provide spiritual impartation through intercession, training and enrichment; to raise disciplined kingdom leaders for the purpose of planting God's principles in our generation.

Ruth Sisters' Fellowship International long term vision is to build synergies with global networks and initiatives to contribute towards the establishment of "**Barley Harvest EMPTISTORY Center**" as a more coherent, inclusive and effective agenda on overcoming emptiness for generations.

The Ruth Sisters' Fellowship International furthers the above mission and vision in responding to their activities;

- Recognize the significant importance of tracing our emptiness to our roots
- Be empowered to move forward from emptiness in faith, sacrifice and strong will
- Grow our Christian faith from emptiness to generation of love and sisterhood

Ruth Rising Sisters Shared Story:

Through Ruth Rising Sisters Shared Story, we utilize shared stories of personal experiences as tools for outreach, ministration, and evangelism. Upon her return to Bethlehem, Naomi established connections with other women and shared her story. The story of Ruth is paramount to the understanding of the vital role her story plays in Christ's ancestry. Your story, if shared can have significant impact on generations to come!

Generation Equality:

Ruth Sisters' Fellowship International programs aligns with the United Nations agenda on the Advancement of Women to bring the Gospel of our Lord Jesus Christ to the global agenda. Ruth Sisters' Fellowship International focuses on Generation Equality work to encourage women to be shaped by the environment and become a model for the kingdom, empower womanhood to grow in their relationship with God and connect to global supportive sisters in the faith.

GenderFaith Certificate Training

Significant spiritual growth can be achieved through education and training.
