

South Carolina State Council Legacy

South Carolina District Exemplar History for the The Revised Exemplification of Patriotism

On George Washington's Birthday, February 22, 2025, the Revised Exemplification of Patriotism was conducted for the first time in New York City - marking the 125th Anniversary of the first Fourth Degree Exemplification. This was a complete revision including video presentations. Also, for the first time, family members were allowed to attend.

The Revised Exemplification of Patriotism, in addition to the District Master and District Friar, has Six major parts; Historian, Expositor of the Constitution, Expositor of the Faith, Cantor, Marshal and AV.

While the Revised Exemplification of Patriotism is allowed to be read, the South Carolina Exemplars listed below continue their proud tradition to memorize their parts and give a dynamic presentation.
