

I AM...

I AM a Divine Image

I AM all that God says that I AM and I AM not anything less.

I AM the head and not the tail; above only and never beneath.

I AM blessed going in and blessed coming out; whatever I put my hands to prospers.

I AM able to do all things through Christ which strengthens me.

I AM healed by the stripes of Jesus. Every organ, tissue, muscle, joint, tendon, ligament, system and cell of my body functions in the perfection it was created to function in.

I AM a joint heir with Christ Jesus.

I AM a part of a royal priesthood.

I AM able to do the works of Jesus and greater works.

I AM...
